Carried

Seconded by M. Creemers

General Business

Mail received from Carnarvon Shire ref proposed demonstration liberation of racing pigeons approx. 20kms South of Carnarvon, the relevant teams reviewed the request but did not approve the request quoting clause 73A of the Shire of Carnarvon Health Amendment Local Law 2021.

Mail received from R. Sheehy on behalf of Amalgamated Club thanking G. Gleeson for his service to the Federation and Riverton Club.

Mail received from G. Azar, President Amalgamated Club ref moving of Crates on the Federation Truck. When the truck arrived at Amalgamated for pick-up on the 27th August, the crates put on the previous week had been moved and replaced with Wanneroo crates, this is the second time this season this has happened concerning the same Clubs despite the President sending an email earlier this year warning Clubs to the contrary.

CRATES WITH BIRDS IN THEM SHOULD NEVER BE REMOVED FROM THE FEDERATION TRUCK FOR ANY REASON, THIS IS A SECURITY RISK AND MUST CEASE IMMEDIATELY. M. Creemers to speak to Wanneroo Club members.

The Board discussed possible liberation sites for the upcoming 5 and 600 mile races and decided on liberation sites on the Coastal route, these sites will be made known to the flyers when needed.

Presidents and Secretaries meeting

The President and Secretaries meeting to set the 2027 race program etc will be held on Wednesday 28th October 2026 at Amalgamated Clubrooms at 7 30pm, all Clubs are invited to forward their proposed race programs etc to the Federation Secretary no later than Monday 26th October 2026, NO PROGRAMS WILL BE ACCEPTED FOR CONSIDERATION AFTER THIS DATE.

Fed 100 clock out

To allow members to spend time with their families on Father's Day it was decided to move the Fed 100 clock out from Sunday night to Monday night

Moved by K. Damon

Seconded by M. Creemers

Carried

The Board discussed at length different options to try to make racing fairer to all members as the Federation now has a difference of approx. 125kms between front marker and back marker.

Some of the topics discussed included the Northern Boundary, Birds on the Day and the possibility of introducing Sections. The general feeling was that actions need to be taken to address these matters ASAP

Next Board meeting will be held at 7.30pm on 7th October 2026 at Amalgamated Clubs rooms.

Meeting closed at 21.05 PM

M. SHAW
SECRETARY
